

Components

CONTINUOUS SLIDER

Use continuous sliders for subjective settings that do not require a specific value for the user to make meaningful adjustments.

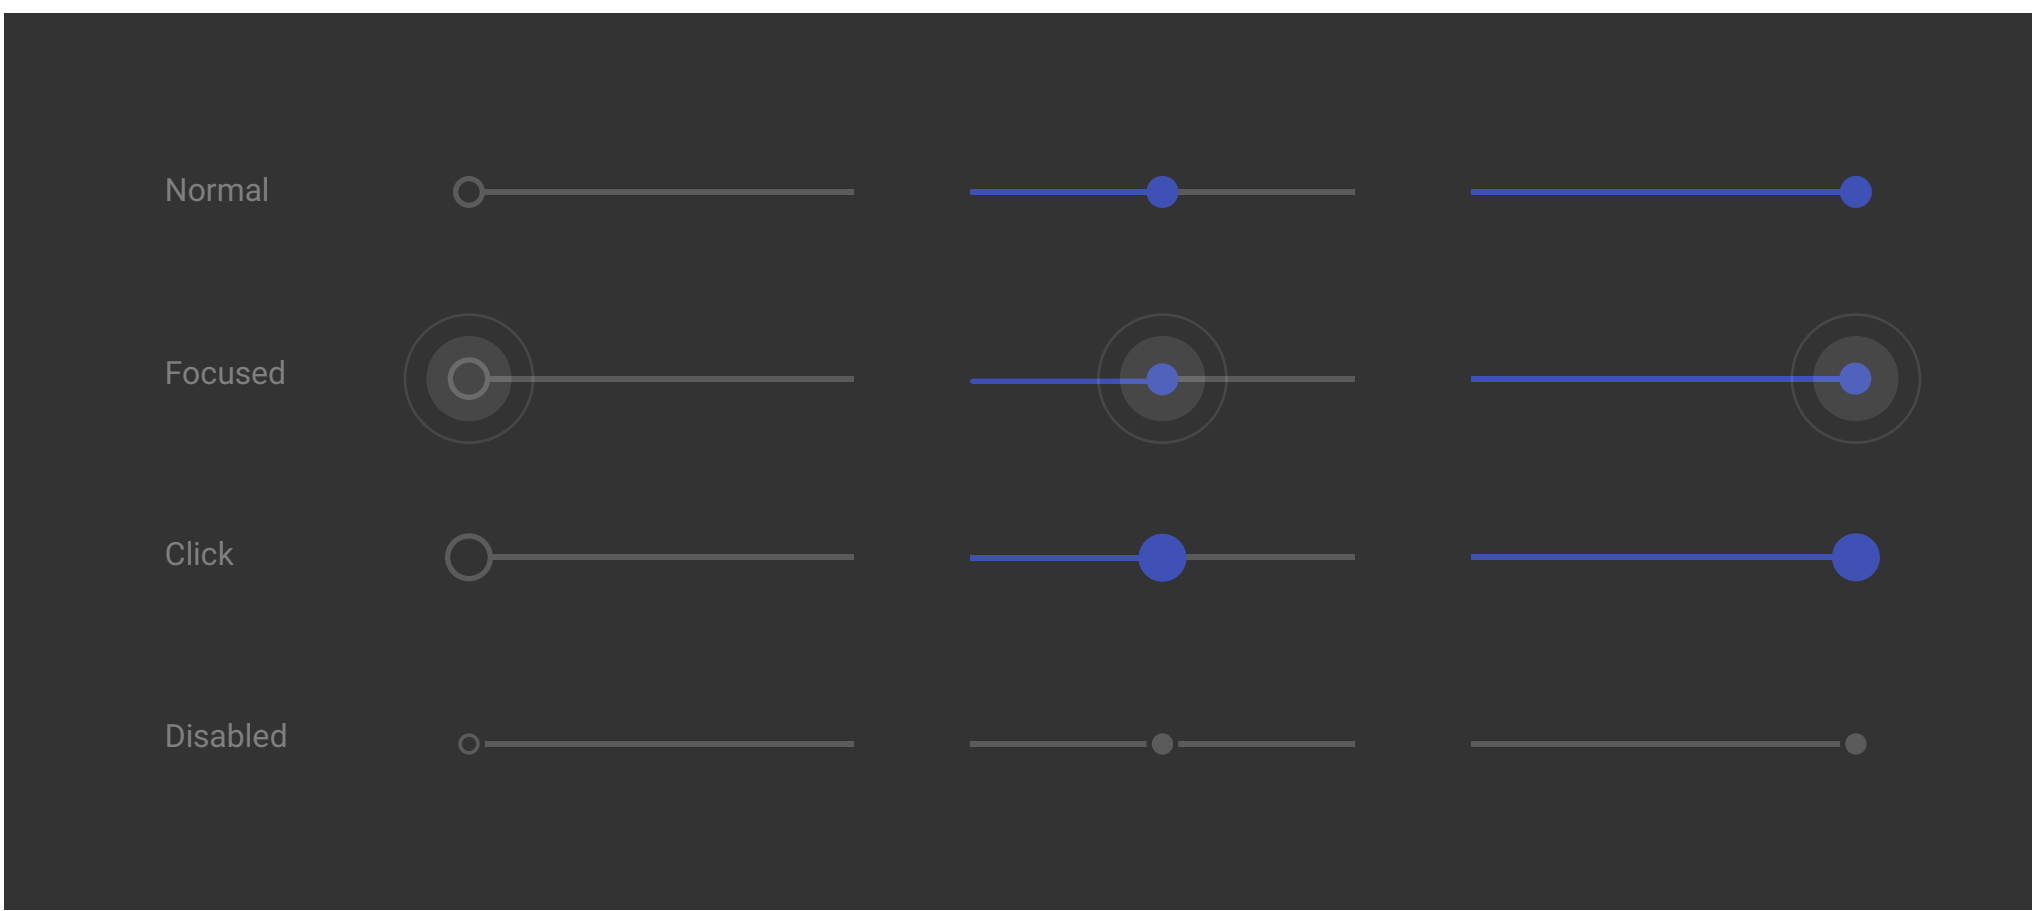

Light

- Normal: Swatch 500
- Off: 20% #000000
- Focus and pressed rings
Swatch 300, Alpha 25%
or 20% #999999

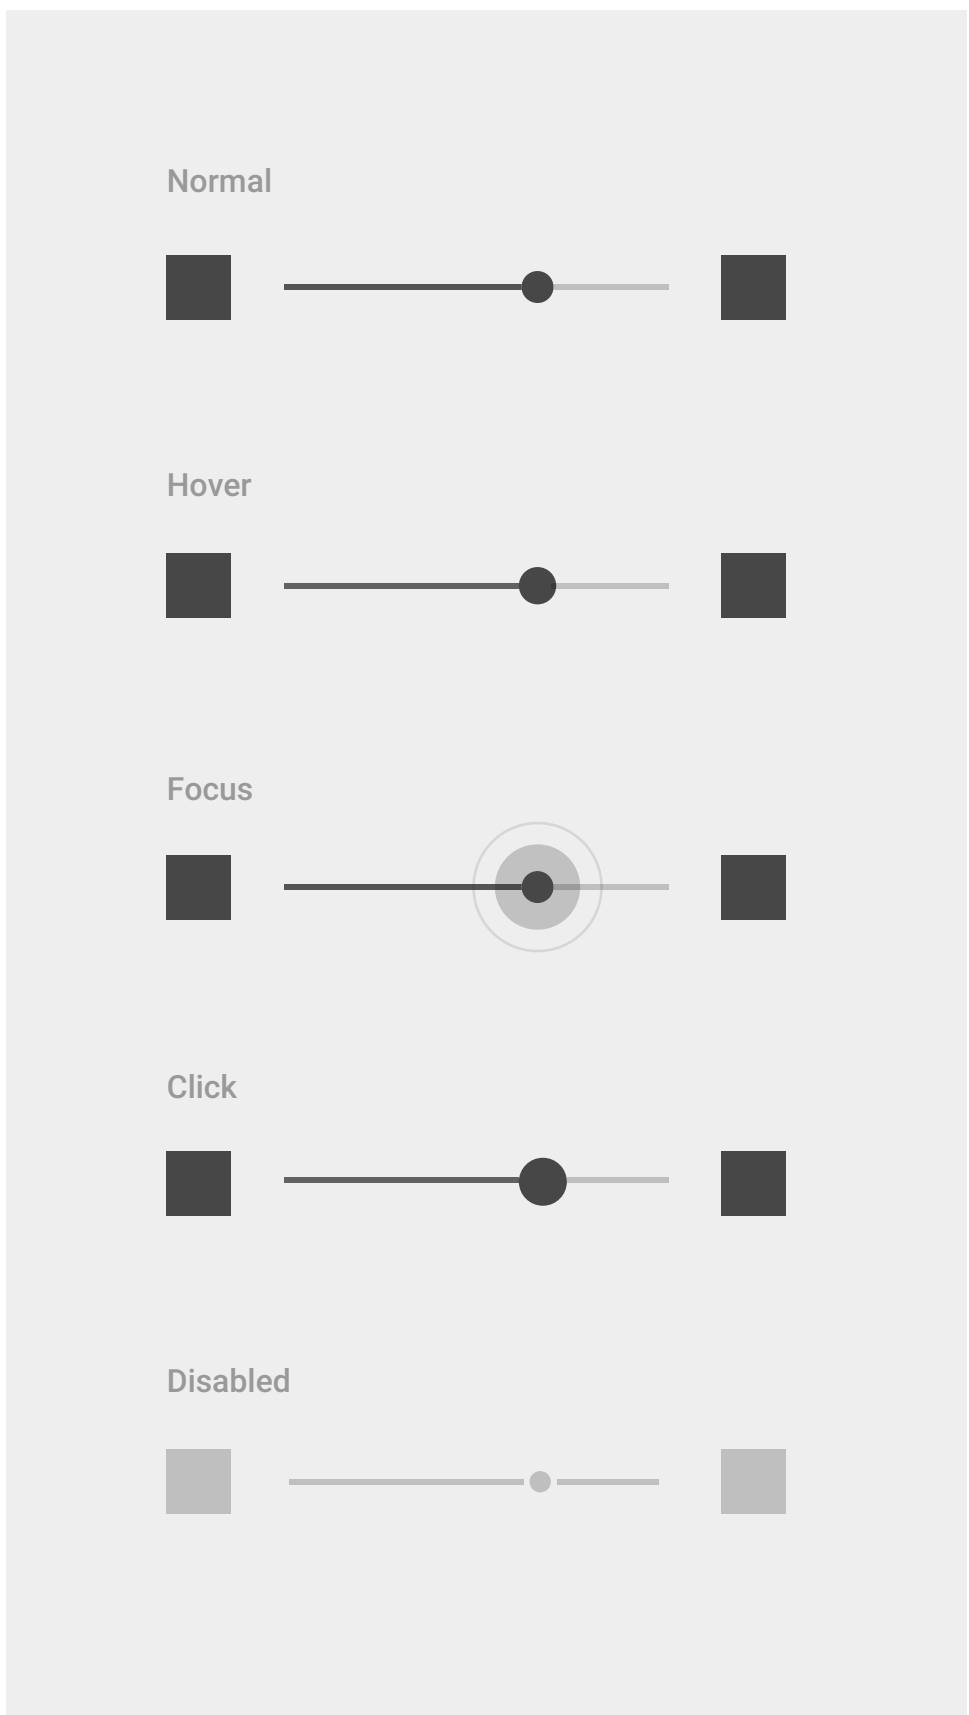

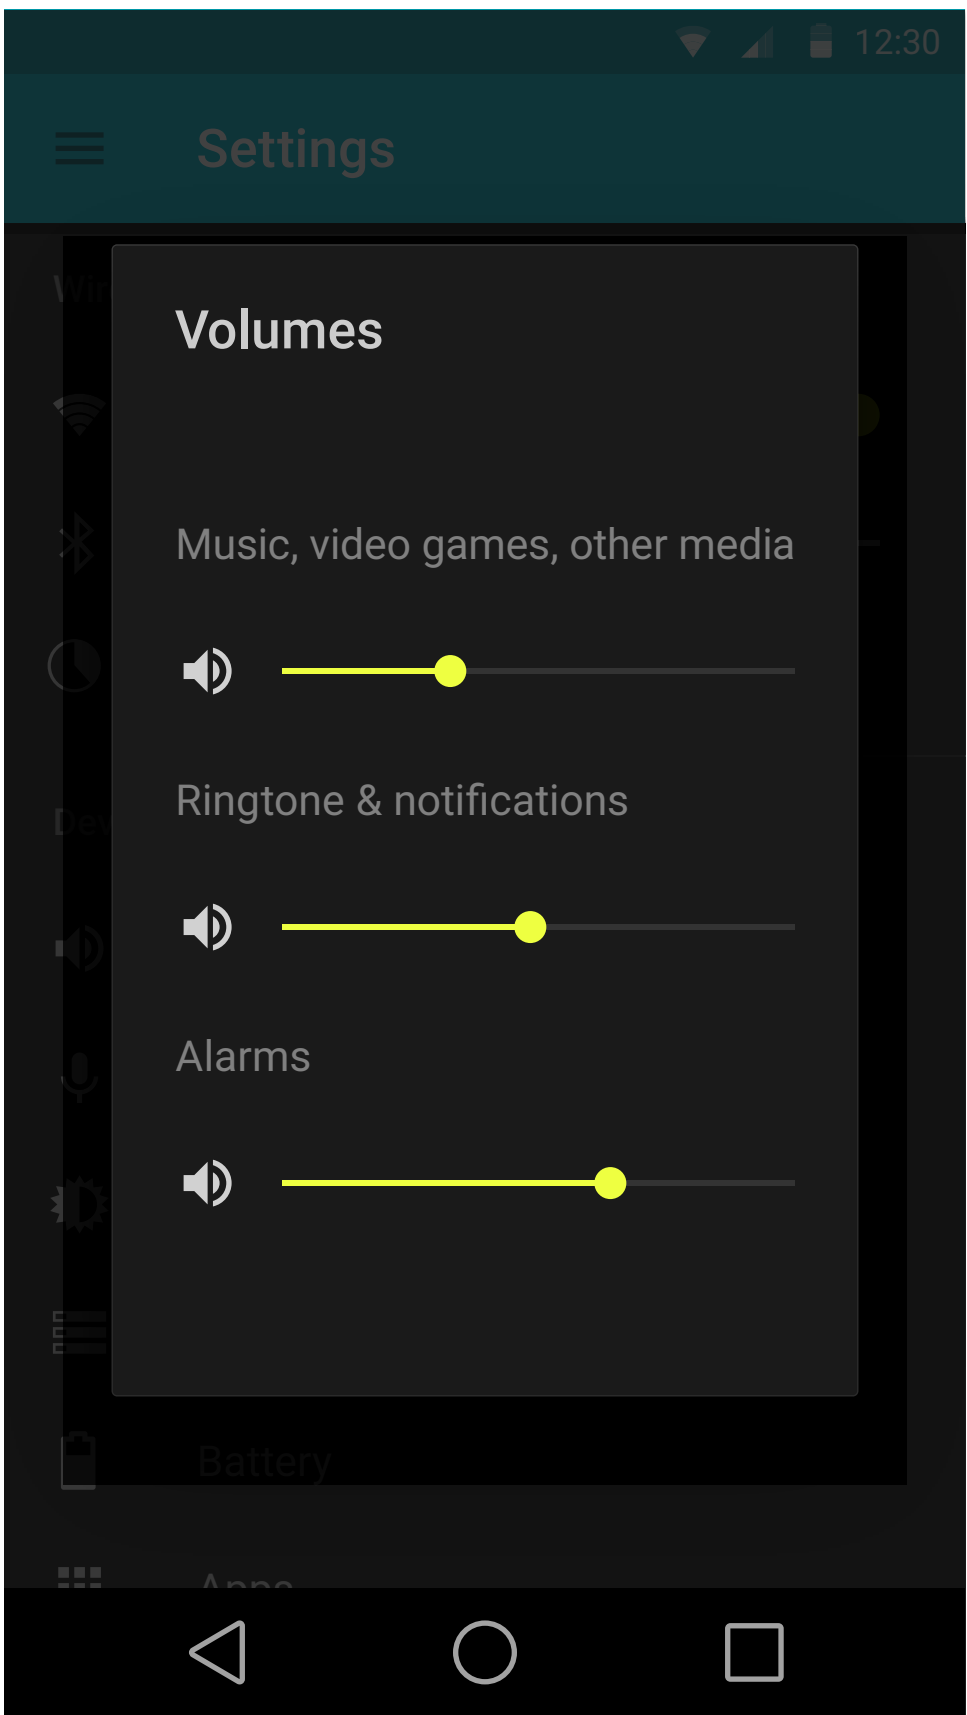

Dark

- Normal: Swatch 500
- Off: 20% #FFFFFF
- Focus and pressed rings
Swatch 300, Alpha 25%
or 25% #cccccc

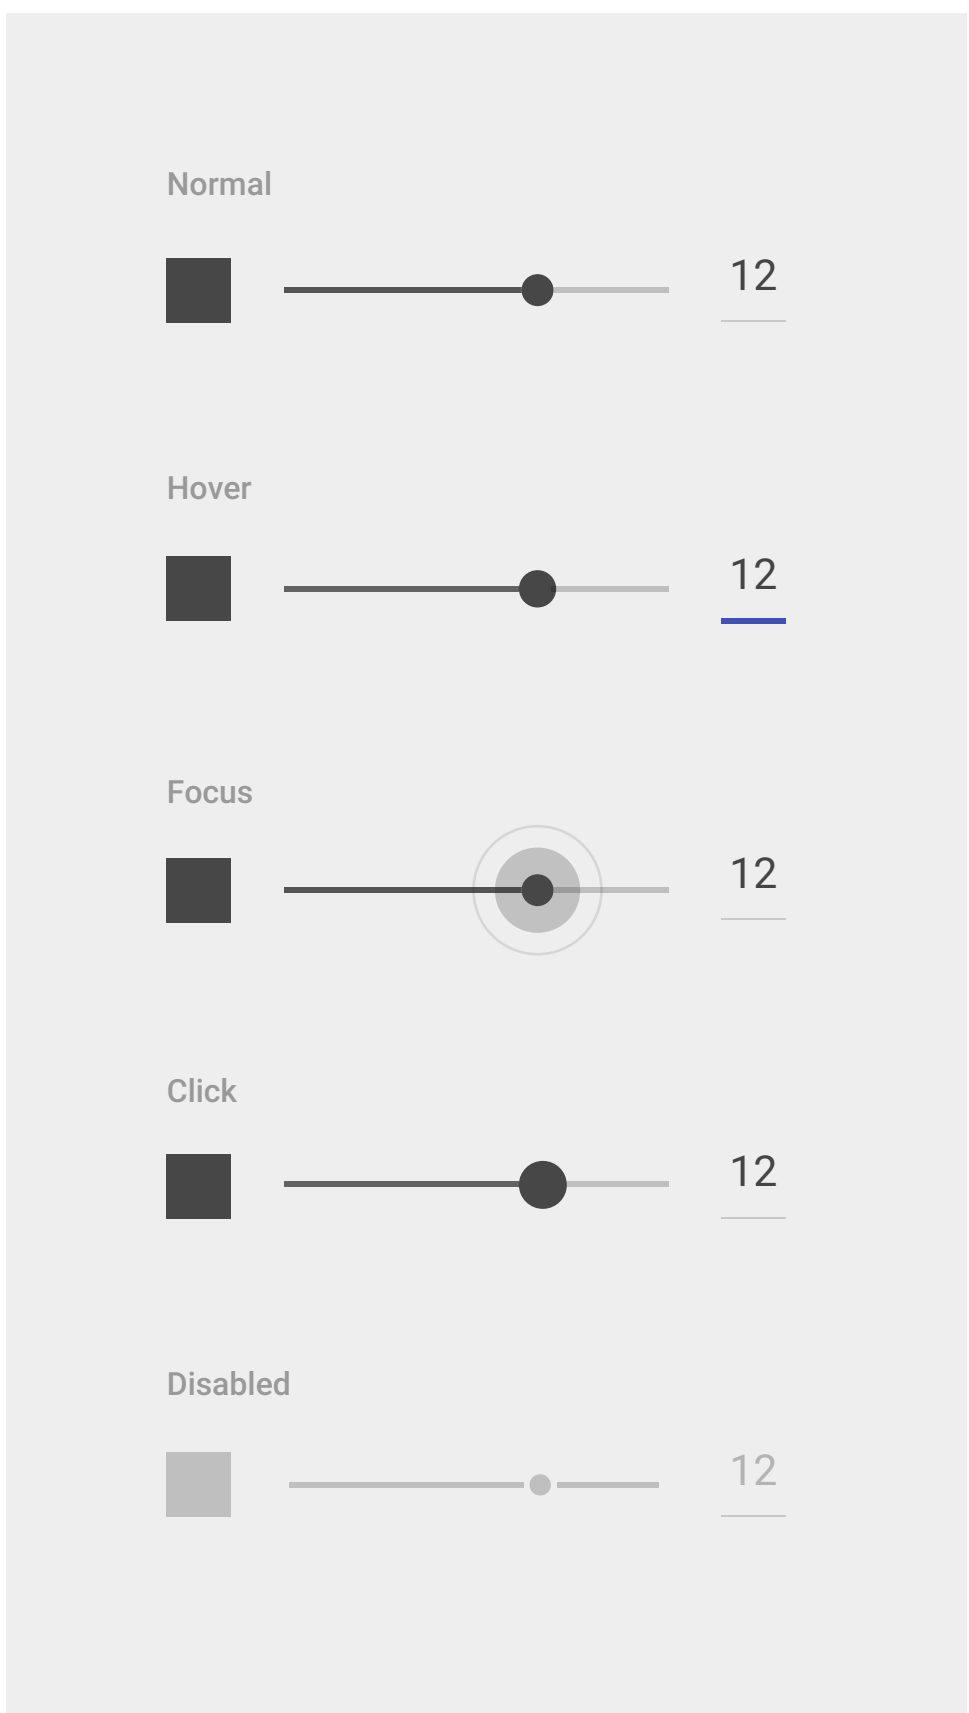

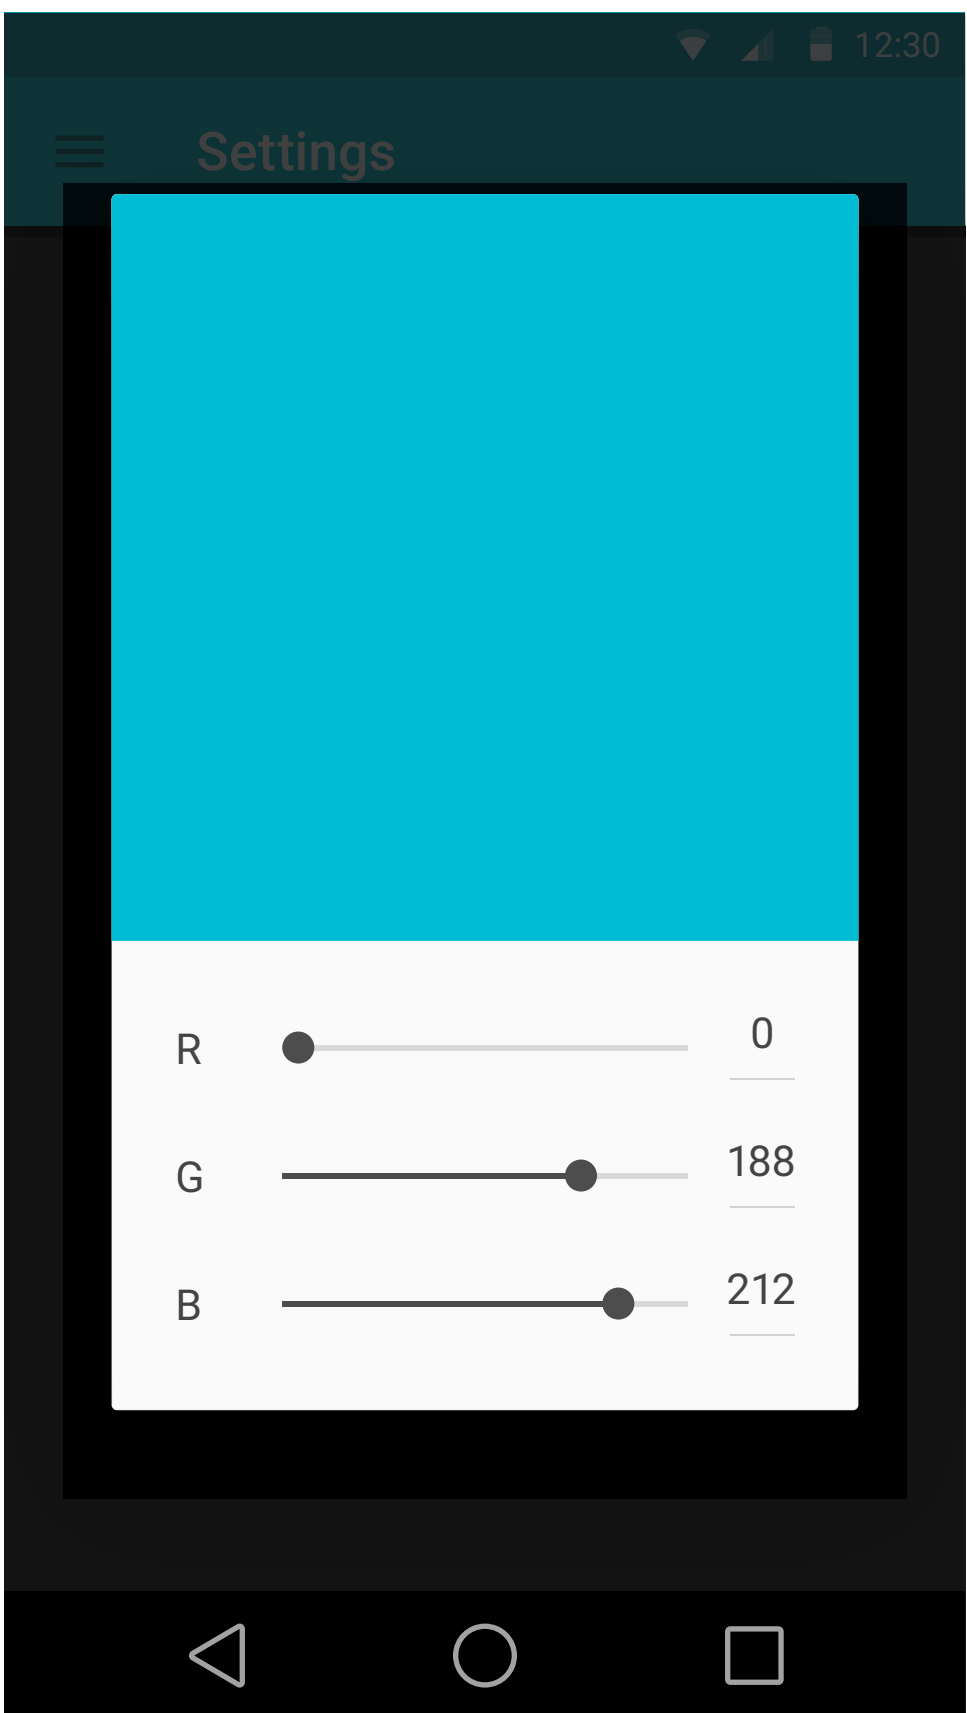

Spacing for icons to the left and/or right of the bar.

With editable numeric value

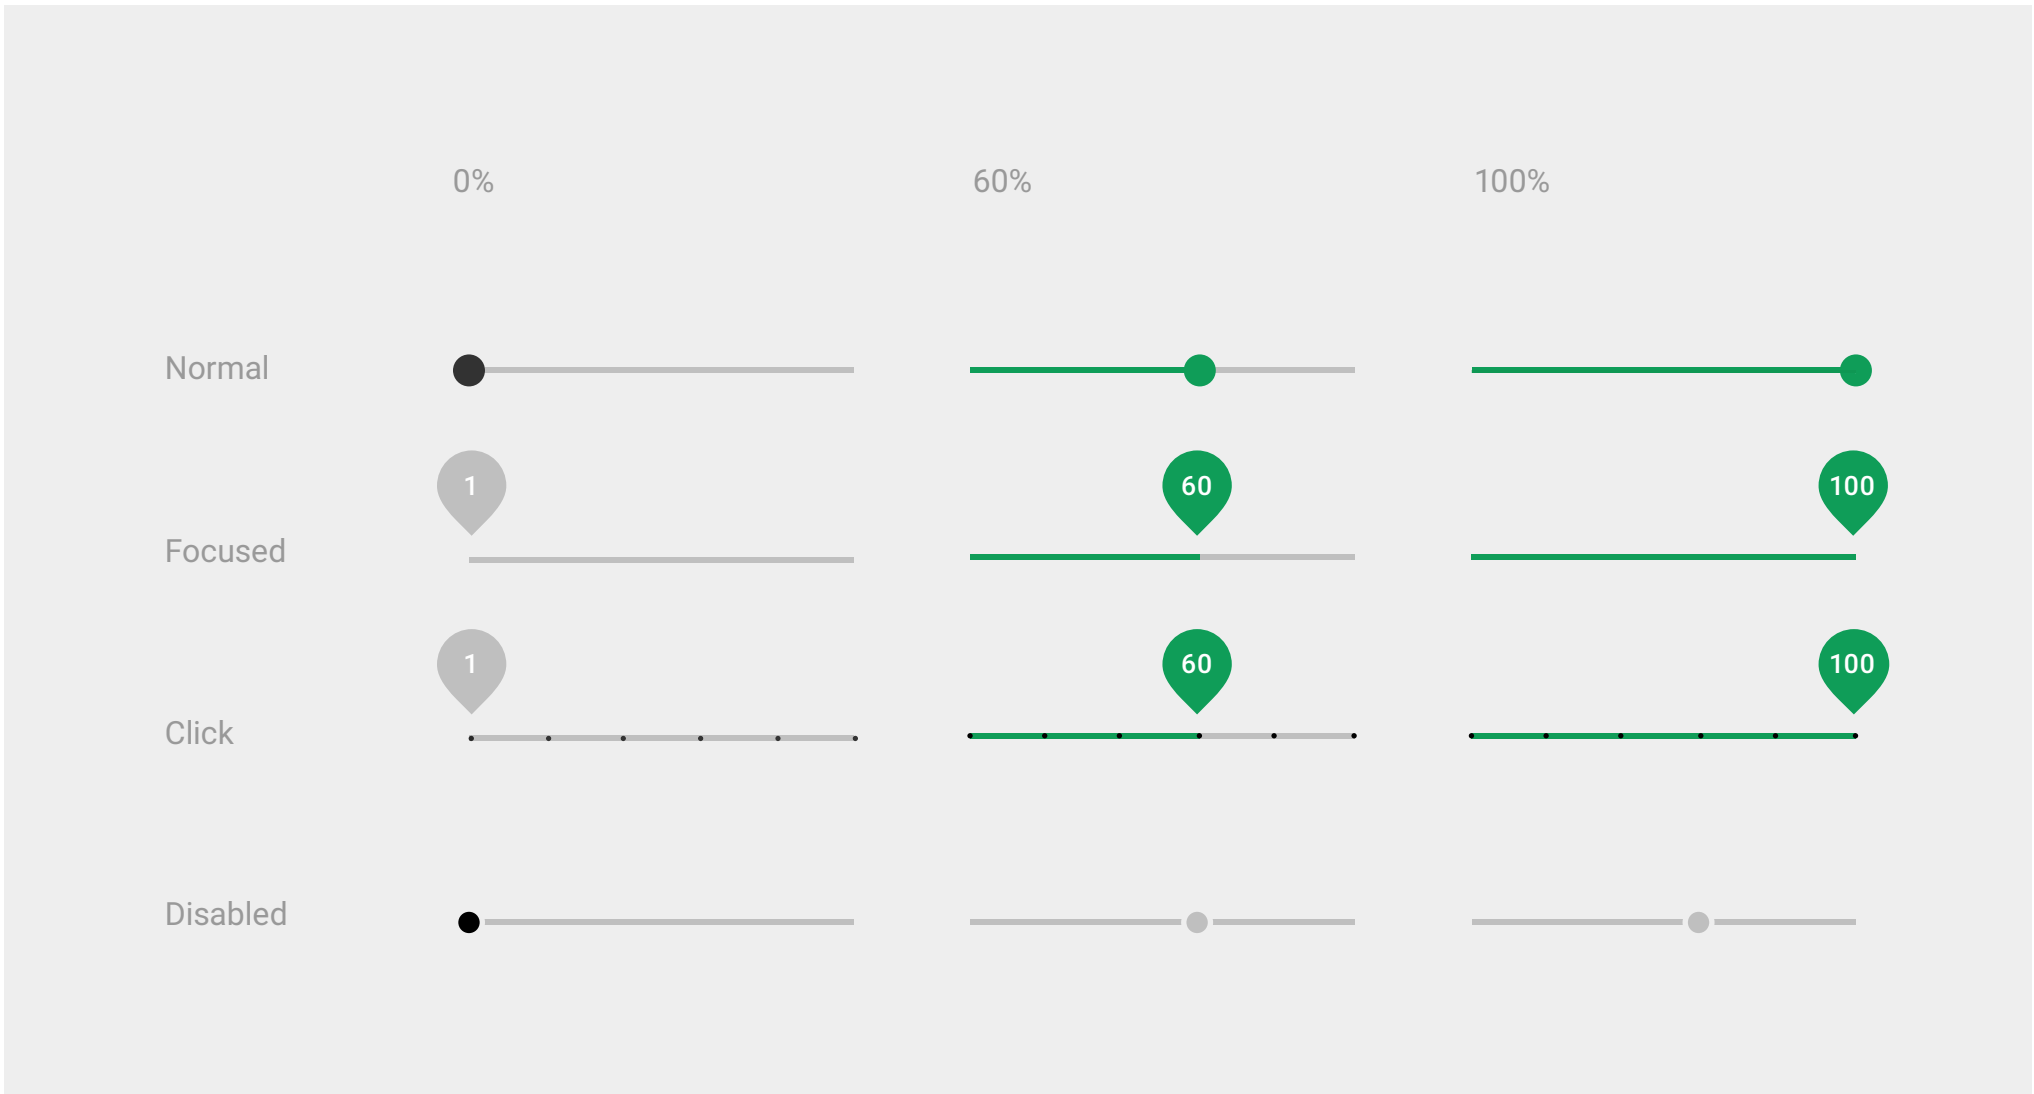

Use for settings for which users need to set the exact value. Upon pressing the thumb, the text box becomes editable.
